Harassment/Bullying/Intimidation Summary Springfield Local Elementary School 2017-2018

- 2/9/18 Female student was reportedly intimidating female student in classroom. After investigating the incident, it was substantiated by two other witnesses that the female student was making inappropriate verbal comments that were deemed to be harassing/intimidating in nature. The student who made the comments was disciplined for harassing another student. Parent was contacted and came in for face-to-face meeting with student present. Student was remorseful, apologized, and agreed that no further incidents would occur. No further incidents were reported.
- 3/29/18 Male student harassed another male student on the bus. After investigation, the male student admitted to punching the other student for no reason. Male student was disciplined and given a bus suspension. He was assigned a seat in the front of the bus. Parents were contacted via phone. No further incidents were reported.
