\*\*\*Please note that our supply list is very specific. We will be sharing supplies as a class this year. Nothing needs to be labeled except their bookbag. All supplies will be collected and shared throughout the year. We are hoping that this will eliminate some of the lost supplies and students running out of supplies from sharing their own with others. Thank you for your cooperation. This worked really well in the previous years. In the event that we should run short on supplies throughout the year, we may request additional supplies. Thank you for understanding.

Sincerely,

The Kindergarten Teachers
